SYSTEMS™

The Style of Life

Consider what's most important to your lifestyle.
What comes to mind?

Enjoy

If you're like most people, the things you value most may include having fun with family and friends, taking time to relax and unwind or having a comfortable, beautiful space to come home to.

If you find yourself wanting it all, then Deck Lok™ has much to offer.

Deck Lok transforms average outdoor spaces into elegant living areas, where you can enjoy the lifestyle you desire — without infringing on your busy schedule — so you can truly spend your time in the ways that are most valuable to you.

Deck Lok™ takes the effort out of maintaining your outdoor space.

Relax

Masterfully constructed from durable, 100% virgin vinyl, this unique decking system requires no staining, painting or sealing. Yet its extraordinary appearance endures for years, through harsh elements and heavy use.

So while your neighbors are working hard to keep their wooden decks from becoming dull, worn and rotted, you and your family will be playing, relaxing — and using your deck in any way you want.

Then, when the day is over and your deck needs to be cleaned, simply spray it down with a hose to remove most dirt and debris and you're done. With Deck Lok, you can kick back and enjoy life.

Play

Whether you're entertaining a guest list of 50, or letting kids run free in the back yard, Deck Lok™ is up to the challenge.

The Deck Lok system surface is built with a sturdy, patented connection system — so you'll have an exceptionally reliable deck that can withstand your everyday lifestyle with ease.

Unexpected practicality also comes in Deck Lok's attractive wood-grain look, which provides a non-slip surface for added safety.

Your all-vinyl deck does not require staining, so you won't be exposed to unhealthy chemicals that can otherwise be inhaled, or absorbed through the skin. Plus, since Deck Lok decks don't splinter like wood, have no exposed screws or fasteners, and stay cool to the touch because they don't absorb heat, bare feet will be right at home.

So go ahead ... relax and have fun in the security of Deck Lok. It's the perfect place to entertain.

Fade-Resistant

UV protection is built right into our premium vinyl.

Scratch-Resistant

Our durable surface resists scratching and gouging, which means you can relax when guests move furniture or children bring their toys outdoors.

Stain-Resistant

Because Deck Lok does not absorb moisture, you won't have to worry when spills occur.

The rich and elegant beauty of Deck Lok™ begins on Day One . . .and beyond.

Admire

Exceptional craftsmanship, combined with practical features such as UV protection and superior-quality virgin vinyl materials, gives our decking systems superb, long-lasting reliability. Just select the color that best suits your style, and you can trust that your outdoor space will be just as striking after years of use.

Sandalwood

Driftwood

Our crisp Sandalwood and Driftwood color options beautifully complement virtually any home's style and exterior color.

Personalize

Deck Lok™ decking systems are just one part of a complete line of durable, all-vinyl products designed to help you transform your outdoor space. Our sophisticated railings and columns will help you complete the look.

Developed to complement your deck's color and to suit your own design style, each is made of the same high-quality, fade-resistant material as your new Deck Lok deck.

Select from a variety of designs. There's a style that's just right for virtually any home, from traditional to contemporary.

Specially designed edging and trim gives your deck a finished appearance all around.

Our uniquely designed locking system adds ease of installation and durability for heavy loads, while keeping planks tucked tightly together.

100% vinyl materials are impervious to the elements, ensuring water resistance to prevent rotting and warping.

A limited lifetime transferable warranty ensures the lasting beauty of your Deck Lok deck.

Make it your own, with the perfect finishing touches.

Transform your home's exterior into a space where you can live out your personal style of life. Whether you want a place to entertain friends and family, a restful retreat — or all that and more, Deck Lok's exceptional quality makes it an outstanding solution.

Choose Deck Lok™

Royal Outdoor Products is one of North America's largest manufacturers of vinyl building products. Our complete line features high-quality, fade-resistant decking systems, as well as railings, columns and fencing to complement any setting.
